Dear Sir/Madam,

Your refund request for application number 10/821,568 in the amount of \$150.00 has been denied.

After further review of the application your request is denied. The 3 extra claims that should've have been charged on 10/16/06 should have been done for the amount of \$27.00. When the amendment filed in April 2007 was received you filed 3 more claims, which the claim fee had, went up at that time and the fee for those claims is \$150.00. The extension of time was never charged for the two months in the amount of \$450.00. Your account was charged \$300.00 and the total amount should've been charged was \$627.00 therefore \$327.00 will be charged to your account to make the fees accurate for the papers that you have filed with our office.

Sincerely,

Brenda Gray
